

DTCLTD PROFILE

DTC Limited stands as a testament to the vision and collaborative efforts. Our journey began IN 2001 through the combined initiatives of GTZ (now GIZ, the German Technical Cooperation), the Ministry of Commerce, Government of Bangladesh, and the Dhaka Chamber of Commerce and Industry (DCCI). The driving force behind this collaboration was the shared ambition to nurture and empower a new generation of Industrial Designers and Design Thinkers who could cater to the evolving needs of dynamic sectors such as Furniture, Leather, Fashion, Jewelry, Allied Products, Interior-Exterior, and Space Designing. In 2004 the company was incorporates as a profit oriented service provider under the name “Design and Technology Centre Ltd.”, subsequently in 2024 it was rebranded as DTC Limited.

As we embarked on this path, we quickly realized that our role was not limited to grooming designers alone. Over the years, we have organically grown into a holistic solutions provider, known today as Design and Technology Centre Limited (DTC). Our comprehensive array of services includes Architectural Consultancy, Interior Design Consultancy, Design Consultancy (Furniture), Project Management and Implementation, Industrial Branding and Communication, and Training and Development.

DTC Limited is a multifaceted organization that offers an extensive array of services across the design and technology spectrum. DTC’s commitment to innovation, sustainability, and excellence is reflected in its holistic approach to addressing the evolving needs of clients in various industries, ranging from architecture and interior design to project management and branding. DTC’s training and development programs further contribute to building a skilled and innovative workforce in these sectors.

WE BELIEVE

In the power of design that impacts human experiences and helps reshape the conventional notions

WE EMBRACE

Challenges with an eye for details and a heart filled with passion

WE TREASURE

Relationships who we work for and who we work with

INTERIOR DESIGN CONSULTANCY

At DTC, our Interior Design Consultancy transforms your ideas into reality, whether for a home, business, or public space. We offer services in spatial planning, decor, furniture selection, and lighting design, focusing on creating functional and visually stunning environments. Our team is dedicated to understanding your needs and crafting spaces that reflect your lifestyle, work culture, and brand identity, exceeding your expectations and inspiring those who inhabit them.

PROJECT / 01

DUSIT d2YARKAY, THIMPHU, BHUTAN

Dusit d2YARKAY is an upscale resort nestled in the serene landscapes of Thimphu, Bhutan, offering an exquisite blend of traditional Bhutanese charm and contemporary luxury. The resort is designed to provide guests with a tranquil escape, surrounded by breathtaking mountain views and lush greenery that create an idyllic retreat. Dusit d2YARKAY boasts a range of elegantly appointed rooms and suites, each thoughtfully curated to ensure comfort and style, featuring modern amenities with a touch of local artistry. Guests can indulge in a diverse culinary journey at the resort's restaurants, where authentic Bhutanese flavors meet international cuisine, crafted to satisfy every palate. The resort also offers a variety of leisure facilities, including a spa, fitness center, and a range of activities that allow guests to immerse themselves in the rich culture and natural beauty of Bhutan. With its commitment to exceptional service and sustainability, Dusit d2YARKAY promises an unforgettable experience that celebrates the essence of Bhutanese hospitality.

HOTEL CHANGANGKHA, THIMPHU, BHUTAN

The **Changangkha** Hotel project, nestled in the heart of Thimphu, Bhutan, is a sophisticated blend of traditional Bhutanese aesthetics and modern luxury. This interior design project aims to create an inviting and serene atmosphere that reflects the cultural richness of Bhutan while offering guests all the contemporary comforts they desire. The hotel will feature elegant guest rooms adorned with locally sourced materials and handcrafted furnishings, ensuring a unique and authentic experience. Public spaces, such as the lobby and dining areas, will be designed to incorporate intricate wood carvings and vibrant textiles, paying homage to Bhutanese artistry. The project also includes a tranquil spa and wellness center, where guests can unwind and immerse themselves in the natural beauty that surrounds Thimphu. Overall, the **Changangkha** Hotel promises an unforgettable stay by seamlessly blending Bhutanese heritage with modern-day luxury, making it a true sanctuary for travelers seeking both cultural immersion and relaxation.

SHIMANTO SOMMELON KENDRA URMEE, COX'SBAZAR

The **Shimanto Sommelon Kendra Urmee** project is an ambitious initiative aimed at creating a serene and versatile interior space in the heart of Cox's Bazar. This community center is designed to serve as a hub for cultural events, social gatherings, and educational activities, reflecting the vibrant spirit and diverse heritage of the region. Our team contributed to this project by incorporating a harmonious blend of modern design elements with traditional Bangladeshi aesthetics.

Our contribution focused on optimizing the functional flow of the space while enhancing its aesthetic appeal. We employed eco-friendly materials and sustainable design practices, ensuring the interiors not only look beautiful but also promote environmental consciousness. Attention was given to creating inviting communal areas that encourage interaction, as well as quiet nooks for reflection and learning. Through our innovative approach, **Shimanto Sommelon Kendra Urmee** stands as a testament to the fusion of tradition and modernity, providing an inspiring environment for the community it serves.

HOTEL ADDRESS INN, THAKURGAON

The Hotel **Address Inn**, nestled in the heart of Thakurgaon, is a meticulously designed hospitality project that blends modern elegance with local charm. This interior project aims to create a welcoming and luxurious atmosphere for guests, ensuring a memorable stay experience. The design concept embraces contemporary aesthetics while incorporating elements that reflect the rich cultural heritage of Thakurgaon. The lobby features an open layout with stylish furnishings and ambient lighting, creating a warm and inviting entrance. Each guest room is thoughtfully designed with comfort and functionality in mind, featuring plush bedding, modern amenities, and tasteful decor. The hotel also includes a multi-cuisine restaurant, offering a rich culinary experience with interiors that enhance the dining ambiance. Meeting and event spaces are equipped with state-of-the-art facilities, catering to a range of business and social gatherings. The overall design of **Hotel Address Inn** focuses on sustainability, utilizing eco-friendly materials and energy-efficient systems to minimize environmental impact. This project sets a new standard for hospitality in Thakurgaon, combining elegance, comfort, and sustainability.

SONIA & SWEATERS LTD. ASHULIA, DHAKA

Sonia & Sweaters Ltd. Situated in the bustling area of Ashulia, Dhaka, the Sonia & Sweaters Ltd. interior design project embodies the essence of modern architecture, ensuring an aesthetic look that seamlessly integrates functionality with style. This thoughtfully designed workspace prioritizes air and light circulation, creating an environment that is both invigorating and conducive to productivity.

Key features of the project include an elegantly appointed Chairman's Office, which serves as a sanctuary of sophistication and strategic thinking. The Conference Room, designed for collaboration and innovation, is equipped with state-of-the-art technology and ample natural light to inspire creativity. The open workstation fosters a sense of community and fluid communication, allowing team members to interact freely in a vibrant, airy setting. Additionally, the Display Center is a focal point, showcasing the company's products in a visually compelling manner, highlighting their quality and craftsmanship. Every element of the design harmonizes to reflect the core values of **Sonia & Sweaters Ltd.**, where modernity meets functionality in a space that is as dynamic as it is inviting.

A detailed architectural rendering of a modern, multi-story building at night. The building features a mix of dark and light facades, with some floors having large glass windows and others having solid panels. A prominent feature is a large, illuminated circular logo on the upper part of the building. The building is surrounded by trees and a street with a few cars and pedestrians, creating a sense of a vibrant urban environment. The sky is dark with a few birds flying in the distance.

ARCHITECTURAL DESIGN CONSULTANCY

At Design and Technology Centre Limited (DTC), we offer architectural consultancy that transforms your visions into reality. Our service covers every stage, from conceptualization to final execution, ensuring designs that are both aesthetically pleasing and functionally superior. We focus on creating sustainable, efficient spaces, integrating custom-built furniture and interior elements. Our team is dedicated to delivering projects with precision, creativity, and excellence, crafting not just structures but experiences.

PROJECT / 01

SERNE SURAIYA

Faridpur

Serne Suraya is an innovative architectural project that embodies modern design principles while respecting the natural environment and cultural heritage of its location. This project aims to create a harmonious living and working space that seamlessly blends contemporary aesthetics with sustainable practices. Serne Suraya features a series of interconnected structures that optimize natural light and ventilation, reducing energy consumption and enhancing the well-being of its occupants. The use of locally sourced materials and green building technologies underscores the project's commitment to sustainability. Landscaped gardens and open communal spaces foster a sense of community and connection with nature, offering residents a peaceful retreat from urban life. Whether it's residential, commercial, or a mixed-use development, **Serne Suraya** promises to be a landmark of thoughtful design and environmental stewardship.

PROJECT / 02

SERNE RABEYA

Khilgaon, Dhaka.

Serne Rabeya, located in the vibrant neighborhood of Khilgaon, Dhaka, is a cutting-edge multi-storied project that blends modern aesthetics with functionality. The design prioritizes maximizing space and offering panoramic views, providing residents with a unique urban living experience. A standout feature of **Serne Rabeya** is its commitment to sustainability. Eco-friendly materials and energy-efficient systems are incorporated to reduce environmental impact and promote healthier living. Generous glass facades allow ample natural light, reducing the need for artificial lighting and enhancing the interiors. The development includes a mix of residential, commercial, and communal spaces, creating a dynamic, community-oriented environment. Landscaped terraces and rooftop gardens offer green spaces, allowing residents to relax and reconnect with nature in an urban setting. Thoughtfully designed communal areas foster interaction and a sense of belonging, contributing to the thriving community atmosphere of Khilgaon.

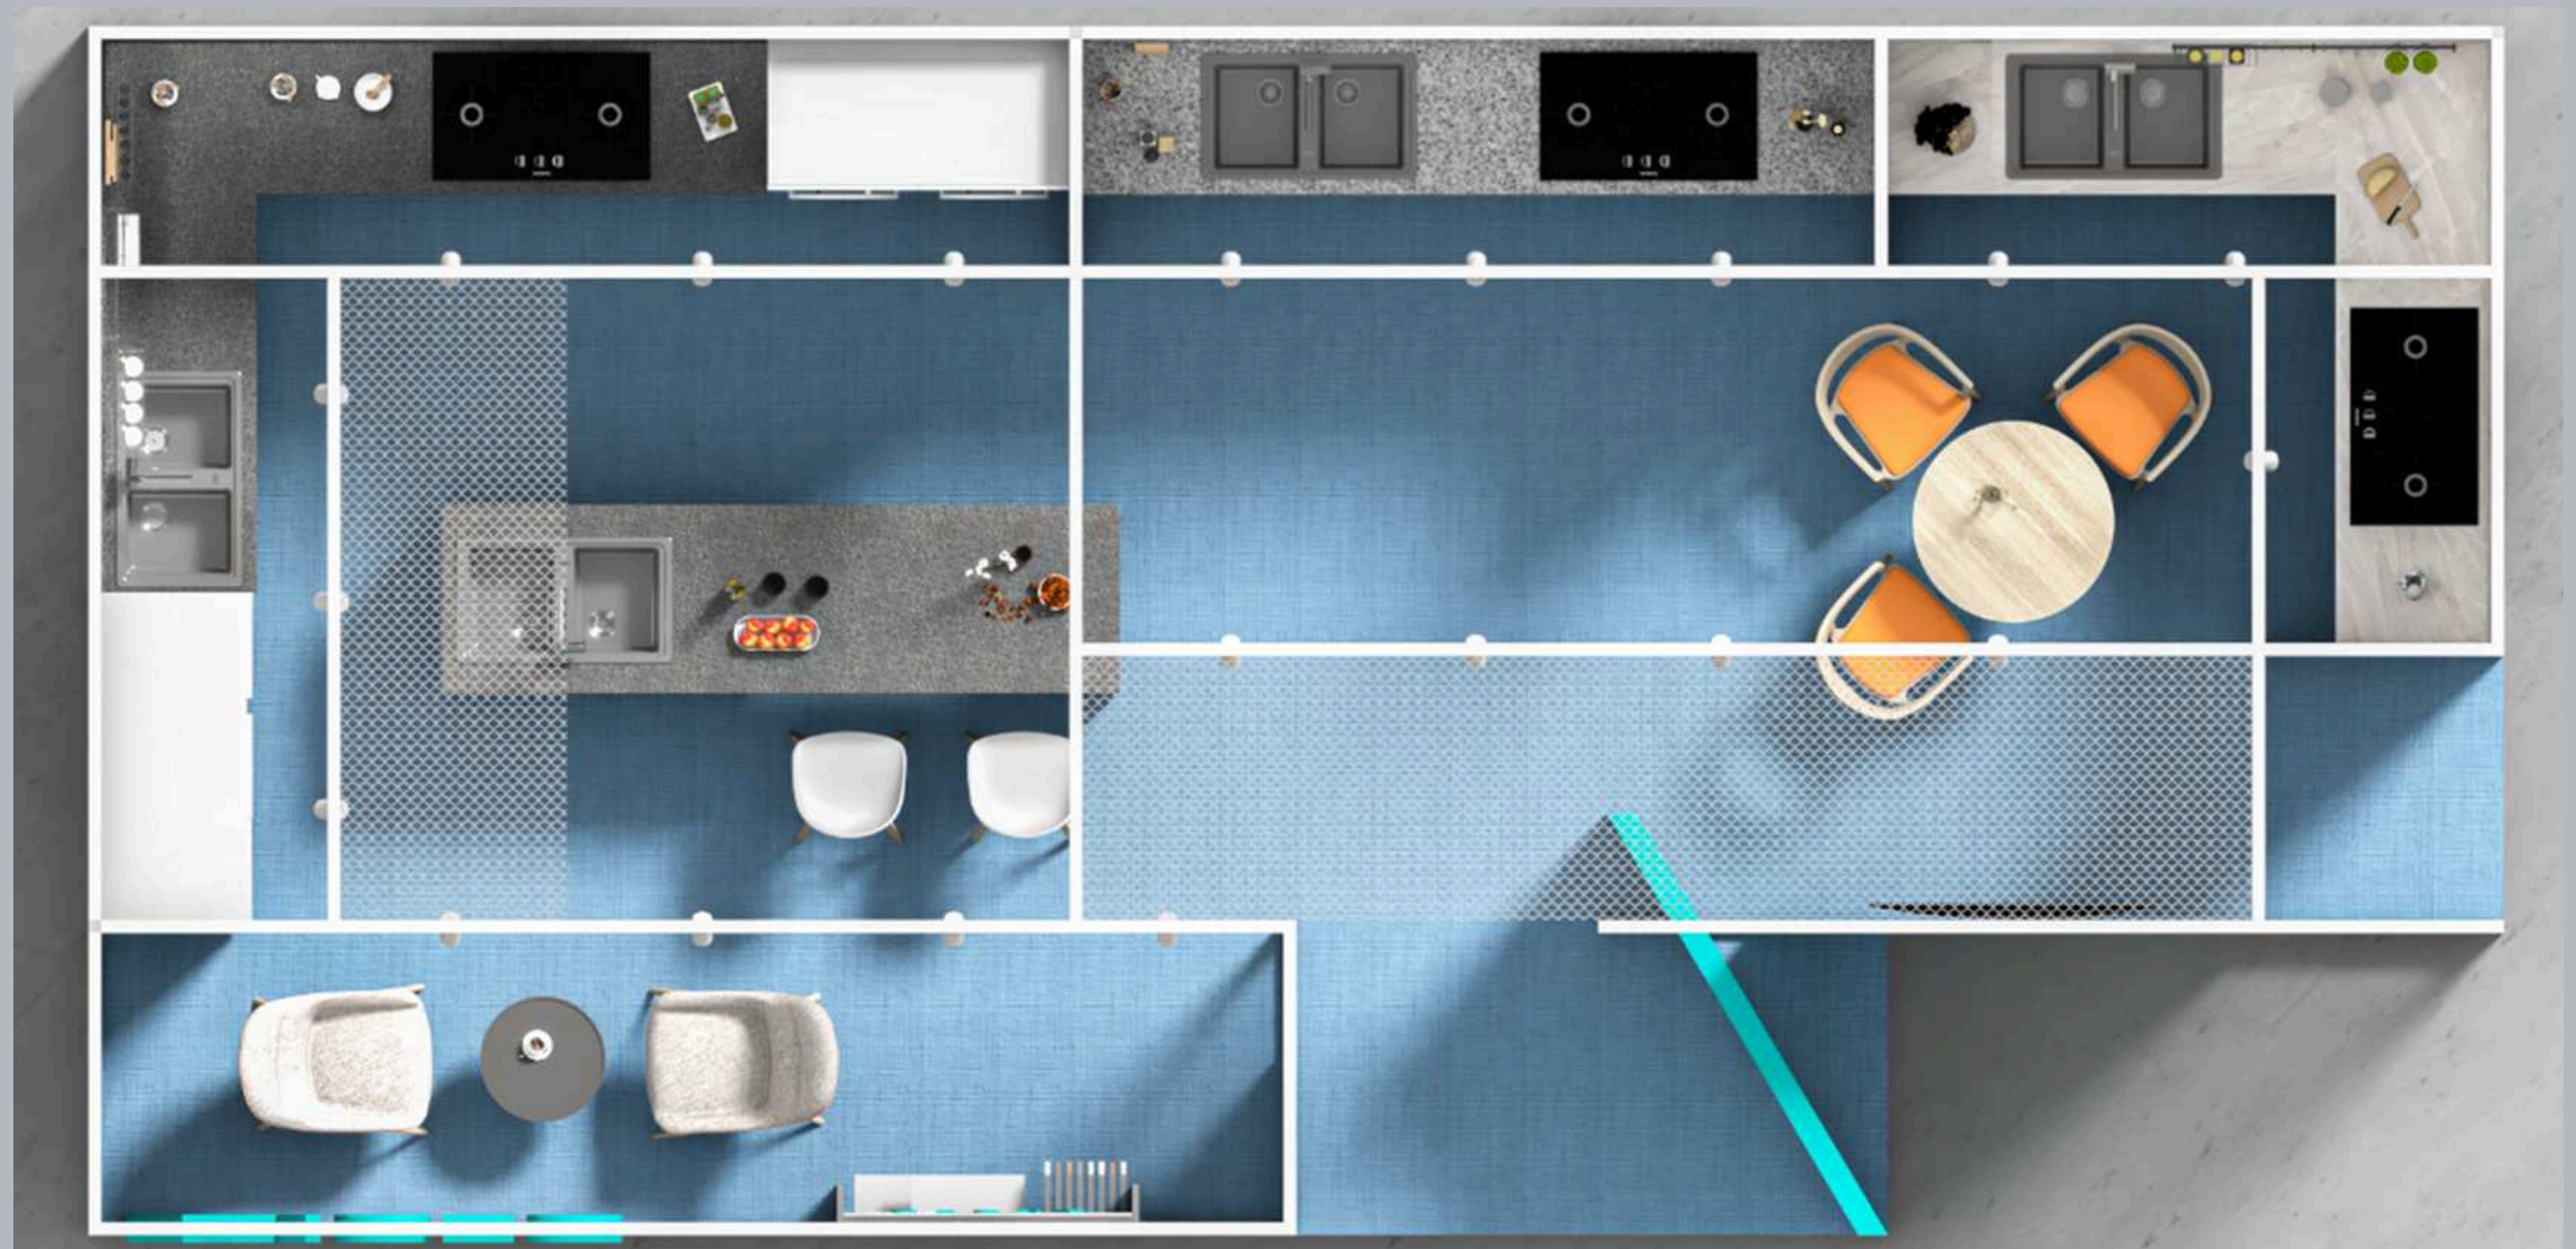

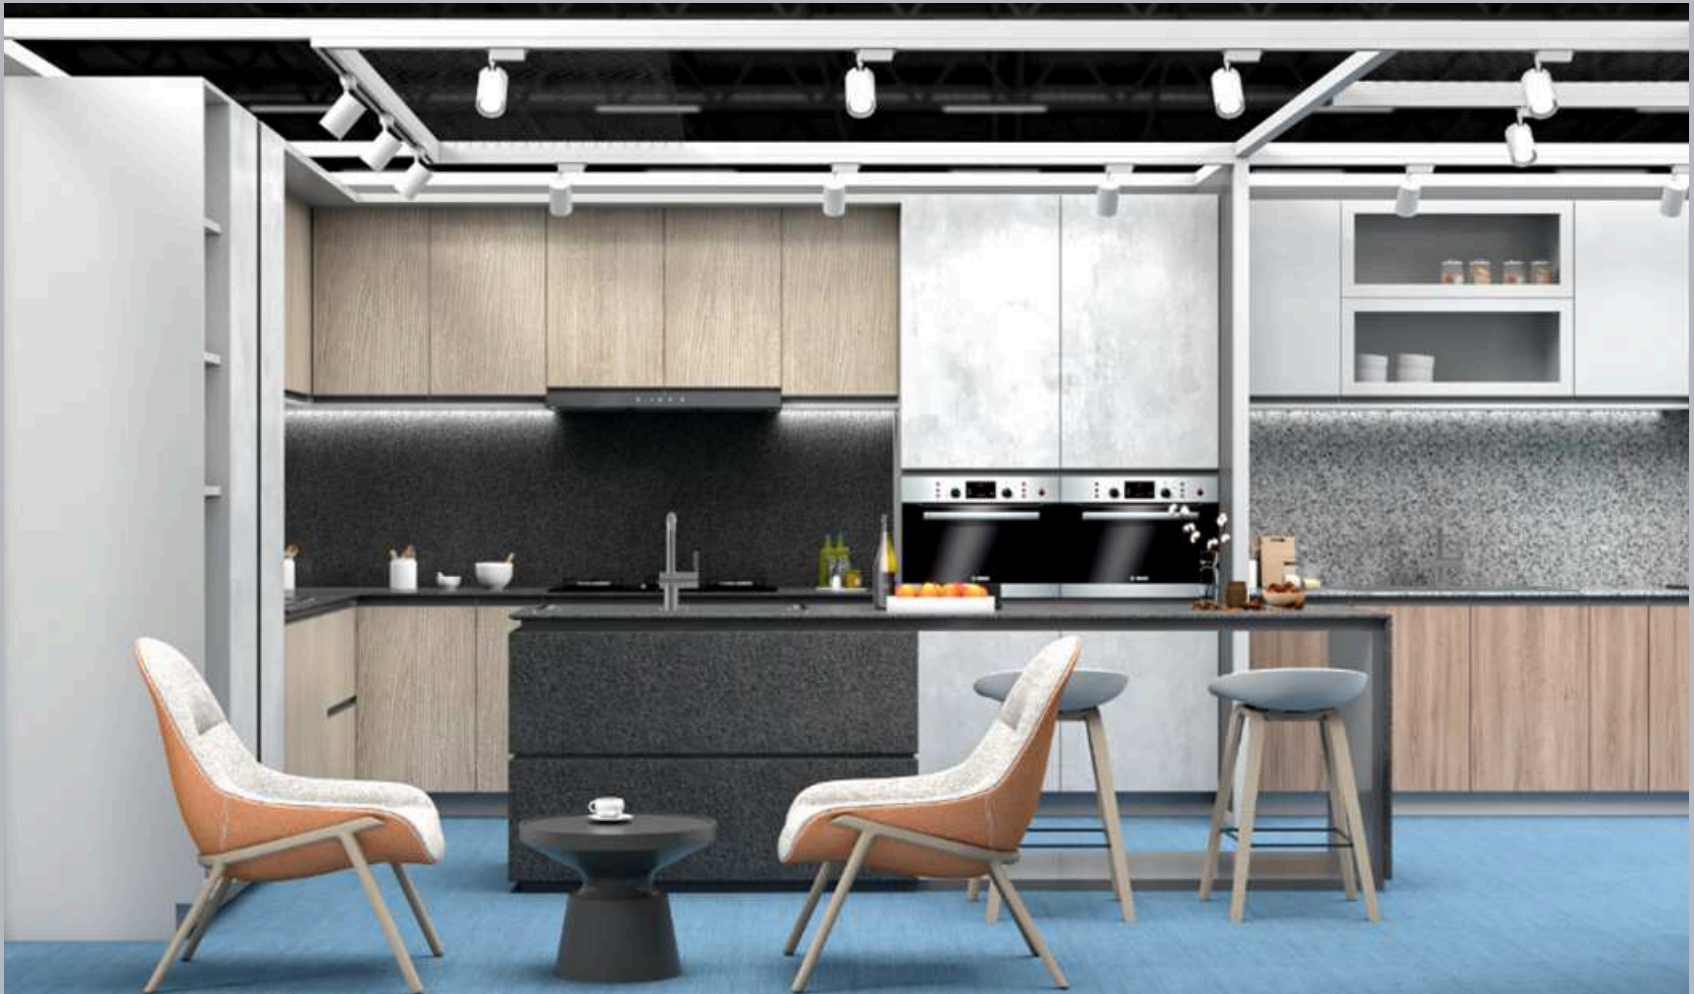

PROJECT / 03

AYOTO PAVILION

ICCB, Dhaka.

Ayoto Pavilion, located within the ICCB, is a multifunctional architectural space designed for events such as cultural exhibitions and corporate gatherings. Its fluid, organic design reflects the surrounding landscape, while the use of locally sourced materials emphasizes sustainability. Large glass panels flood the interior with natural light, promoting a welcoming atmosphere for interaction. The pavilion features flexible spaces, allowing for adaptability to various events, and integrates state-of-the-art technology. Surrounded by landscaped gardens and outdoor spaces, it offers a peaceful retreat, promoting ecological diversity. **Ayoto Pavilion** exemplifies a harmonious blend of architecture, nature, and community, fostering creativity and cultural exchange.

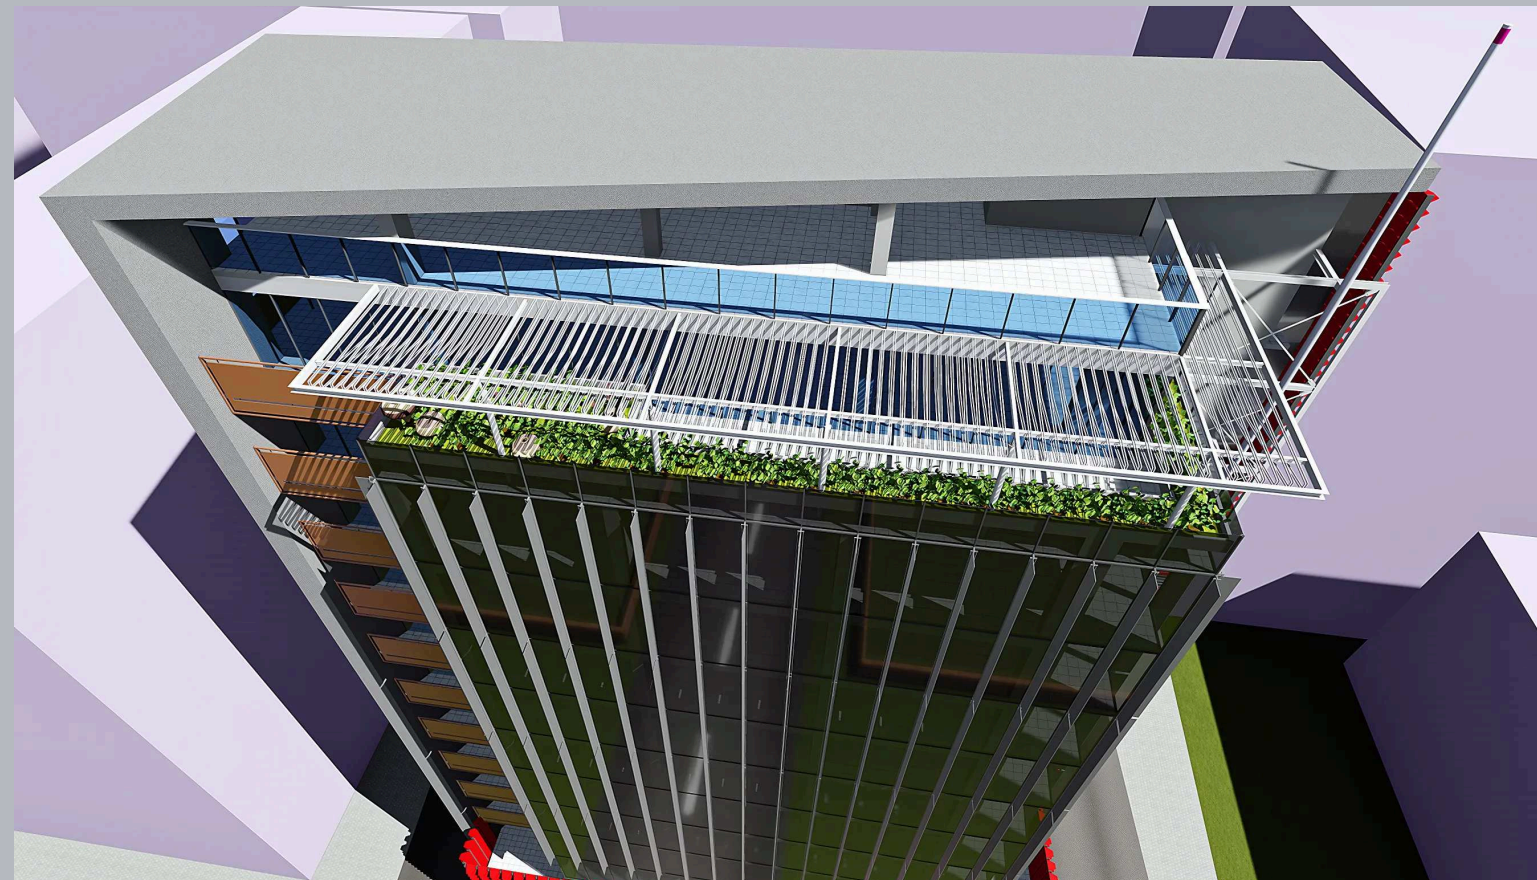

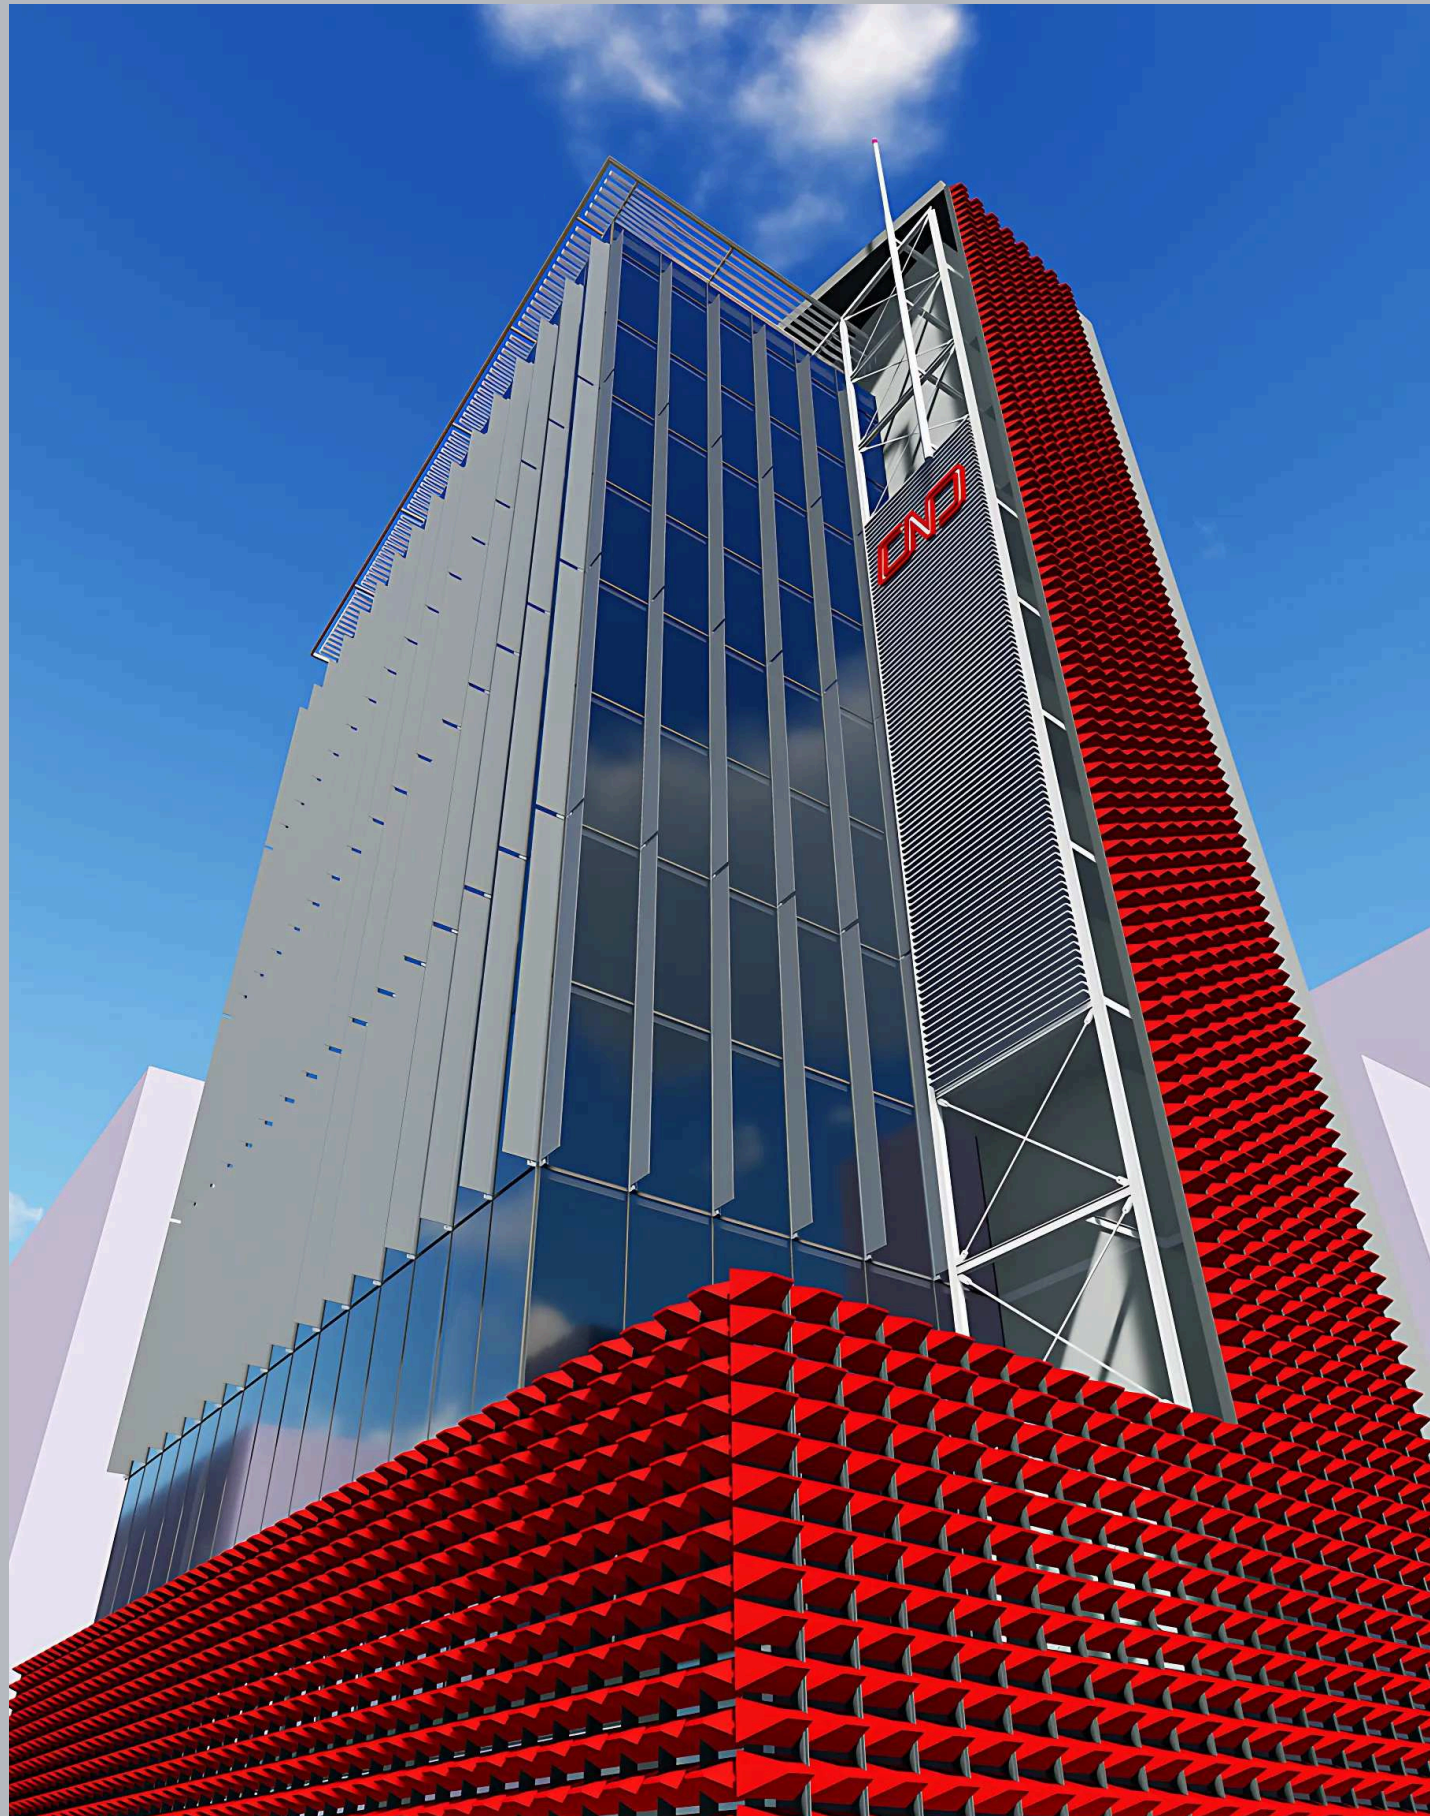

PROJECT / 04

CNS TOWER

Bashundhara R/A,
Dhaka.

CNS Tower, located in the vibrant Bashundhara neighborhood of Dhaka, is an architectural marvel that blends modern design with functionality. The multi-storied building features open spaces and a sleek aesthetic, ensuring comfort and style for its residents. A key highlight is its sustainability, incorporating eco-friendly materials and energy-efficient systems to reduce environmental impact. Expansive glass facades offer stunning city views and ample natural light, enhancing the living experience. The tower houses residential, commercial, and communal spaces, fostering a sense of community. Landscaped terraces and rooftop gardens provide green spaces for relaxation. **CNS Tower** is a landmark of luxury, sustainability, and community.

PROJECT / 05

QUEENS HOSPITAL Sylhet

Queens Hospital, located in the picturesque region of Sylhet, is a state-of-the-art healthcare facility that blends modern design with patient comfort. The hospital's design integrates natural light, with large windows and open spaces, creating a healing atmosphere. Sustainability is a key focus, utilizing eco-friendly materials, energy-efficient systems, and green technologies like solar panels, rainwater harvesting, and green roofs. The hospital's layout promotes efficiency and smooth patient flow, while communal spaces such as family waiting areas and gardens provide tranquility for visitors. **Queens Hospital** stands as a cornerstone of health and wellness in Sylhet, offering comprehensive care in a serene environment.

PRODUCT DESIGN & FABRICATION

At DTC, we specialize in innovative and functional furniture design, transforming your ideas into market-ready pieces. Our services cover the entire process, from conceptualization to prototyping and fabrication, in collaboration with leading furniture manufacturers in Bangladesh. This partnership enables us to offer design consulting and develop new products. Whether for your home, office, or other spaces, we create furniture that reflects your style, ensures comfort, and stands out in quality and functionality. Our team is committed to delivering ergonomic, beautifully crafted designs that contribute to the furniture industry's growth in Bangladesh.
